*As of August 15—migrant death toll exceeded 200 for 2005*

### **2:00 PM Memorial service begins, First Christian Church sanctuary.**

The guest speaker is **Steve Auslander**, former editorial writer for the Arizona Daily Star. The service features reflections on the past season of death and hopes for the future. Prayers will be offered for those who have died, and gratitude expressed for those who have helped to save lives. Each year, a cross is made for each migrant known to have died crossing the border between Arizona and Sonora. Crosses bear the name of the deceased or the word desconocido.

### **3:00 PM March begins.**

With a police escort, the marchers walk west from the church on Speedway, north on Stone, west on Drachman, north on Oracle, and proceed to Evergreen Cemetery. The march will conclude with a short prayer service in the northwest corner of the cemetery where unknown/unclaimed bodies are buried. Participants may carpool or preposition a vehicle at the cemetery.
